**The Big Beautiful Bountiful Bouquet:** Please bring some of your posies to church to add to the big bountiful bouquet. Bring the flowers to the church kitchen and we will add them to the bouquet. If you are coming to church in person, bring your flowers to the kitchen – a little before the service. If you are worshiping online, but would like to add your flowers to the bouquet, please get in touch with Gwen Tuel, the church secretary and she will make arrangements. The flowers are an extravagant symbol of our togetherness in person and virtually. Cheers! The Congregational Life Team.

**Letting the CAT out of the Bag-**The session recently contracted with Holy Cow! Consulting of Columbus, OH to guide the church in creating a new strategic plan. Our first step is for active members and non-members of First Presbyterian Church who are 16 and over to complete the Congregation Assessment Tool or CAT.

The CAT is a customizable assessment instrument that can help church leaders among other things measure the level of satisfaction in the congregation and pinpoint the strengths of our congregation's culture.

In a few weeks we will email a unique link to the CAT. Beginning May 17 we ask that you go online by clicking the link and answering the questions about your experiences in and priorities for First Presbyterian. Please do not discuss the survey or your answers with others as this may influence their answers.

If you need a paper copy, please come to the office, and we will provide one for you along with a self-addressed stamped return envelope.

All answers are strictly anonymous. We have no way of matching any assessment to a particular person, so please feel free to candidly share your perceptions, opinions and experiences. Our future together is dependent on your participation and honest answers.

Many thanks,  
Pastor Jim
